

EXT. DENIS'S HOUSE - MORNING

(Picks up after Beth says, "That's a promise.")

Beth waves goodbye. She gets into the car. Rich walks up beside Denis.

RICH

She's had a taste of *the Coove*. She'll be back.

DENIS

You think so?

RICH

(flatly)

No.

Beth's car starts to pull out.

Denis, panicked, runs after it at full speed.

DENIS

Wait! Halt! Stop!

The car SCREECHES to a halt. Denis runs right into the back of car, bouncing onto his back.

Beth jumps out, upset and frustrated.

BETH

Oh, Denis!

Beth gets down on the street, cradling his head in her lap. Denis opens his eyes.

DENIS

What are you doing Saturday night?

BETH

(smiling)

It's a date.

Music swells as Camera pulls out and up, revealing Rich arriving and Cammy and Treece looking on.

As we pull away, the camera and music stop.

DENIS

Oh, wait. I'm grounded.

BETH

Yeah? Just sneak out.

Camera, continues continues.

DENIS

Sneak out?

BETH

Denis Cooverman, you have so much to  
learn.
